"An interior is the natural projection of the soul."

- Coco Chanel

The interior of your property says a lot about you. Regardless of whether you're redesigning your own home, or refurbishing an investment property, restaurant or hotel, you'll want it to make a statement that reflects you, your values and your aspirations.

### **Practical luxury**

Although you want to create a feel of luxury, the space must still satisfy the practicalities of everyday use.

Our team will provide the creativity and experience you need to create the bespoke interior you want.

### **Your design your way**

We understand that sometimes you'll need our expertise for part of your project, and other times you'll need us to take care of everything.

That's fine with us. Just tell us what you need and our team will deliver the creative solutions you want within your timescale and on budget.

### **Additional services**

In addition to interior design, we also offer a range of complementary services.

-Window dressings – from a wide range of designer fabrics and styles, we will design, supply and install bespoke curtains and blinds

*"Furniture must have a personality as well as be beautiful."*

**-Rose Tarlow**

Great Interior design isn't just about the way a room, apartment, restaurant or hotel looks; it's about finding great design in unexpected places.

The addition of a considered and creative furnishing scheme adds life to a property not just function.

### **Furnishing solutions**

Regardless of whether you're looking for help with an individual property or large scale development fit-outs, our team will source the solution you need that's commercially priced, of high quality and robust.

### **Tailored furnishing schemes**

You tell us what you're looking for and our team will create and install a furnishing scheme that fits your brief and budget.

We source our furniture from trusted suppliers around the world, or if you're looking for something truly original, we can design and create bespoke items that are handmade and upholstered in the UK.

### **Additional services**

You can further enhance your furniture scheme with our additional services:

*-Window dressings* – complement your furniture with bespoke curtains and blinds
